

Guest Policy

1. GOA members and their dependents may bring guests to the pool. Host members must accompany their guests.
2. Please be considerate of your neighbors and minimize the number of guests invited during high-usage times (Friday nights, Saturday afternoons, Memorial Day, 4th of July, Labor Day, Father's Day, etc).

Group Party Policy

Members may invite larger groups of guests during normal pool operating hours by following these rules:

1. Number of guests:
 - Parties with 10-24 guests, inform the Pool Chair by email a minimum of 8 days prior to the event. An additional guard may be required; Ace Aquatics will make the final determination and the Pool Chair will notify you accordingly. (The rate for an additional guard is \$30/hour in 2021 and is to be paid for by the host.)
 - Parties with 25 or more guests, inform the Pool Chair and fill out the Ace Aquatics lifeguard reservation form (attached) and email to Pool Chair a minimum of 14 days prior to the event. An event of this size will need Board approval. Plan on an additional guard being required; Ace Aquatics will make the final determination and the Pool Chair will notify you accordingly. The rate for an additional guard is \$30/hour in 2021 and is to be paid for by the host. The neighborhood will be notified as a convenience to the members.
2. Party must be held during normal pool operating hours and all pool rules still apply, including no glass.
3. Avoid high-usage times (Friday nights, Saturday afternoons, Memorial Day, 4th of July, Labor Day, Father's Day, etc).
4. Limit party to 2-3 hours.
5. Traditionally, a party has used the tables/chairs at the deep-end of the pool; which leaves the shallow-end tables/chairs for members use. You may want to do vice-versa if having a children's party to be near the shallow end. In either case, please be considerate of your neighbors and use only one area of tables/chairs and leave the other area available.
6. Folding tables are available in the lifeguard office if you would like them for extra seating or for a food/cake area.
7. Leave area clean and tidy. Clean-up would include placing tables/chairs back to their original location, wiping down tabletops, returning folding tables, sweeping or hosing down area if necessary, etc.
8. Remove all trash and recycling from the facility; do not use the pool trash/recycling bins. Practice "Carry In, Carry Out" for trash and recycling.

These rules and operating procedures were amended by the GOA Board of Directors in May 2021. They may be amended as required by the Board of Directors of the Association.
