

Glen Oban Association (GOA)
Email /Electronic Notification of HOA Business Meetings

The Glen Oban Association uses email to keep homeowners and residents up to date with news and information about our community, to notify GOA members and residents about upcoming events and activities, and for most general communications purposes. However, pursuant to Section 11B-113.1 of the Maryland Homeowners Association Act, the homeowners and residents are required to give prior written authorization to provide notice of a meeting or deliver information by email / electronic transmission.
